

2018 BUSINESS PARTNER MEMBER BENEFITS

Welcome to the South Florida Chapter Association of Legal Administrators' **2018 Business Partners' Program**. You are an integral part of our Chapter. Our goal is to provide our Business Partners with multiple opportunities to build relationships with our members, increasing the value received as a Business Partner. We look forward to your participation. Membership remains at **\$2,000** for 2018 and includes participation in the following:

- ❖ **Annual Legal Expo** - Save the date for Thursday, March 1, 2018 at the Hyatt in Downtown Miami. Membership provides opportunity to purchase a booth at the discounted amount of \$600. There is also an opportunity for 5 Business Partners to purchase a "Prime Location" for an additional \$500. (for a total cost of \$1,100.) Rate for non-Business Partner members is \$1,000.
- ❖ **Monthly Luncheons** - Ability to attend both monthly luncheons (Miami and Broward) at member price for each.
- ❖ **Happy Hours** – Six happy hours are scheduled for 2018. All Business Partners plus one (1) guest are welcome to attend each event at their own expense.
- ❖ **Family Social Events** - Annual event (two) for chapter members, their families, along with Sponsoring Business Partner's and their families.
- ❖ **Annual Business Partner Appreciation Event (Fall 2018)** We will have one chapter event this month and celebrate our business partners. Prize drawings will be held for both members and business partners.
- ❖ **Charity Events** – The chapter has committed to holding at least two "hands on" charity events each year. All Business Partners are encouraged to participate in these events. Working side by side with our members will give you a unique opportunity to build personal relationships with chapter members and partners.
- ❖ **Holiday Event (December 2018)** Our December event will be a more casual event, without a speaker. After a welcome and announcements from the Chapter President or their representative, members and business partners will be encouraged to network.
- ❖ **Committee Participation** - We value the knowledge and relationships our business partners have in the legal community, and we invite you to join one of the following Committees to help us build a better chapter (Details of each committee along with the contact info for the committee chair can be found on the chapter website): **Business Partner Advisory Committee; Charity; Diversity & Inclusion; Legal Community Relation**.
- ❖ **Social Media** – Our Chapter maintains a significant social media presence, utilizing LinkedIn, Facebook, Instagram and Twitter to connect with our members and Business Partners, as well as to reach potential members and Business Partners. This is your chance to highlight your company, products, promotions and much more. The Social Media Committee will commit to no less than one social media publication/notice in at least one of the channels listed.

- ❖ **The Network** - Membership includes subscription to Chapter's electronic newsletter (which includes your company's hotlinks). Business Partners are also encouraged to submit an educational article for inclusion in our Newsletter. The article cannot be a blatant commercial for your company, it must provide some education to our members, but it will also contain your photo and a hot link to your website.
- ❖ **Website** - Your Company's listing on the Chapter website allows you to upload your photo, company logo, detailed description of the products and services offered and you can select an unlimited number of search fields. Membership also includes the ability to register online for event attendance.
- ❖ **Educational Sessions** - Opportunity to present an educational session at a monthly luncheon. Deadline to schedule is December 31, 2017. Availability is limited and topics that achieve CLE/CLM credits will take precedence. Presentation to be approved by Chapter Board.
- ❖ **Business Partner Logo** – You will receive our yearly special Business Partner Logo, which may be used to identify your company as a Chapter Business Partner in email communications to members and be displayed on your company's website.
- ❖ **Membership Directory** - Membership contact information is accessible on our Chapter website (www.alasofla.org). You may also receive a worksheet in Excel format (.xlsx) upon request made to our Business Partner Chair.
- ❖ **Newsletter Ads** – Ad space in Chapter electronic newsletter, also posted to website (www.alasofla.org) available at a 50% discounted rate.
- ❖ **Scholarship Points** - Members earn points for making appointments to meet with Business Partners, which they use to qualify for member scholarships at Annual Conference, as well as other specialty conferences.
- ❖ **Business Partner Program Points** - Business Partners can earn points in two ways that can be used to enter into a drawing for the 2019 Annual Legal Expo booth. You receive one point per introduction to a potential Chapter member, and 3 points for every introduction that results in a new Chapter member (national ALA membership is also required). You must submit the contact information to the Membership Chair (www.alasofla.org). For each point you will be entered for a chance to win a booth.

Questions? Please contact our business partner chair. Their contact information can be found on our website (www.alasofla.org). Click on "About" and then "Chapter Committees".

ALASOFLA reserves the right to add, revise, cancel any and/or all special events and benefits, based upon sponsorship application.
