Dear ALASOFLA Member and Business Partners:

As we are in the final stages of our incentive for the Adopt a School Project, we are ready for our summer internship “roll out”. We have been working closely with Miami Carol City Senior High School in developing guidelines for summer internships and we hope that many of you (business partners alike), will help us in offering a student a summer opportunity.

Students will be placed by the skills needed to complete tasks within the firm’s guidelines.

The internships will be designed for entry level students entering the workforce in the next few years.

1. The internships will be paid at least minimum wage rate.
2. The firms may elect to offer compensation for travel to and from the office.
3. The students will be coming from Miami Carol City Senior High School.
4. The internships will offer students insight and prepare them for the professional world.
5. Students and companies will have strict guidelines and students will receive a review and will be graded upon the completion of the internship.
6. If you have an interest in a summer intern, please reach out to Felice Solomon at the Solomon Search Group (felice@solomonssearch.com) or phone (954-647-0300) with job orders for the position and/or questions about the program.
7. The students will submit their resumes to Solomon Search and Felice Solomon will send the candidates to the firms to coordinate introductions. **YOU WILL NOT BE CHARGED ANY FEES FOR SOLOMON SEARCH SERVICES ON BEHALF OF THE INTERNSHIP PROGRAM. SOLOMON SEARCH an active member of the Diversity & Inclusion committee and is donating their services as they relate to this internship program.**

Please let us know if there is an interest in participation of the program. If you have any questions, please contact Paula Lawson at 305.349.2320, PLawson@GJB-Law.com or Felice Solomon at 954.647.0300, Felice@Solomonsearch.com.

Sincerely,

The Diversity & Inclusion Committee
ALASOFLA
